

Requirement of Cement in NLC

“NLC, a leading Public Sector Undertaking, is engaged in Mining activities and Power generation for the past five decades. The annual requirement of Ordinary Portland Cement will be in the order of 11000-12000 MTs and Portland Pozzolona Cement will be 5000-6000 MTs. Depending on the progress of construction and maintenance works, the requirement of cement is procured in Phases.”
